GSD Argentina Employee Benefits & Workplace Guide

1. GSD Argentina Employee Benefits Overview

This document defines the official employee benefits, paternal/parental leave, vacation rules, health coverage (Prepaga), and workplace policies for full-time Argentina employees of GSD (Global Software Delivery).

All benefits in this guide supplement and exceed the statutory minimums established by Argentina's Ley de Contrato de Trabajo (LCT No. 20.744).

2. Paternal & Parental Leave Policy (Argentina - Licencia por Paternidad y Parental)

Enhanced Paid Paternal Leave (Licencia por Paternidad / Co-Parent): While Argentine statutory law provides only 2 days, GSD provides six (6) weeks (30 business days / 42 calendar days) of 100% fully paid Paternal / Co-Parent Leave for fathers and non-birthing parents upon the birth or adoption of a child.

Maternity / Primary Caregiver Leave: Birthing mothers receive ninety (90) calendar days of statutory leave plus an additional thirty (30) calendar days fully paid by GSD, totaling 120 calendar days (approx. 17 weeks) at 100% salary.

Soft Landing Return (Regreso Gradual): Both mothers and fathers in Argentina may work a 6-hour reduced daily schedule at 100% pay for the first four (4) weeks after returning from parental leave.

Childcare Subsidy (Reintegro por Guarderia): GSD reimburses up to $250 USD equivalent per month per child (ages 45 days to 4 years) for daycare or accredited caregiver expenses.

3. Vacation & Paid Time Off Policy (Argentina - Vacaciones y Dias GSD)

Business-Day Vacation Counting: Instead of counting calendar days as under standard LCT, GSD grants vacation in business days (dias habiles) so holidays and weekends never consume vacation balance:

- 0 to 5 years tenure: fifteen (15) business days of paid vacation per year (equivalent to 21 calendar days).
- 5 to 10 years tenure: twenty (20) business days of paid vacation per year.
- 10+ years tenure: twenty-five (25) business days of paid vacation per year.

GSD Flex Days: In addition to annual vacation, Argentina employees receive three (3) paid 'GSD Flex Days' per year for personal milestones, moving, or family events, plus Exam Leave (up to 12 paid days/year for university students).

4. Health Coverage (Medicina Prepaga) & Financial Benefits (Argentina)

Premium Health Coverage (Prepaga): GSD provides 100% subsidized top-tier medical coverage for the employee and their immediate family group (conyuge e hijos) through either OSDE Plan 410 or Swiss Medical Plan SMG50.

Health Plan Highlights: 100% coverage in hospitalization, international travel medical assistance, odontologia general, 100% medication coverage during pregnancy/first year of child's life, and annual optical reimbursement.

Compensation Protection & Split Payment: Salaries are benchmarked in USD with monthly CPI adjustment reviews in ARS, and employees may elect to receive up to 70% of net compensation in USD.

Connectivity, Electricity & Wellness Stipends: Monthly reimbursement of $120 USD equivalent covering high-speed fiber internet, home electricity, and gym/sport memberships (SportClub / Megatlon Pase Libre).

5. Argentina Workplace Policies & Company Video Library

Hybrid & Remote Work Policy: GSD Argentina operates Remote-First across Buenos Aires, Cordoba, Rosario, and Mendoza, with optional access to the GSD Palermo Hub in CABA and WeWork All-Access passes.
